Dear Mr. C. S. Shiva Shankaraiah. Managing Director,

Subject: Business Appreciation for Wabco Project:

This letter comes to you with a record of appreciation for all the efforts from you and your teams for making WB01 & WB02 Polygon Turning Process with Poke yoke success.

I would like to thank all for spending valuable times, given supports & encouragement to our Billforge team for entire process of completing this project.

Best wishes from Billforge team for all the help and I hope we can work together again in the near future.

Based on the services, we received from entire team, we will not hesitate to recommend your organization to our business associates and friends.

Warm regards,
For Billforge Pvt Ltd.,
